

MAXWELL INSTITUTE FOR THE MATHEMATICAL SCIENCES

HERIOT-WATT UNIVERSITY &
UNIVERSITY OF EDINBURGH

EDINBURGH, UK

JACK CARR PHD INTERNSHIP PROGRAMME

- **Two internships** are available to current PhD students in an African university to spend up to 6 weeks doing research related to their PhD topic at the Maxwell Institute in Edinburgh.
- A grant of up to £ 4,000, offered by the Jack Carr Fund, will cover travel, accommodation and subsistence costs for the duration of the internship.
- Each applicant should specify
 - their broad area of mathematical interest;
 - the connection with the research in their thesis;
 - the name of a proposed mentor;
 - the name and email address of two academic referees.

To apply: please send a CV, academic transcript and a document (2 pages max) including the information above, as well as your motivation for seeking this internship, to CarrPhDinterns@macs.hw.ac.uk

The **deadline** for applications for the academic year 2025/26 is **August 31st, 2025.**
